MOUNT STEAD,
BEN RHYDDING,
YORKSHIRE.

Sept: 25th/

Dear Miss Ritchie.

/24.

You may just be
returning from your holiday,
so I send these letters of
Miss Mason, for you to keep
and make use of in
any way. A few, entirely
personal ones to Mother.
I have kept in memory
of their friendships.

The letters are in sequence
and may recall incidents
in the elementary school
scheme - Some day, when

you have time, do please
tell me how this
progresses.

You may find it poignant
reading; "old letters" so
often are; and these
are brimful of vitality &
enthusiasm and bring
home to one that something
without which we must
now live and work.

With much greeting to
Miss Parish and our new
friends - Yours affectionately
Brother. Peter Thal.
